**2011 VS CODE RED
FROZEN SEMEN ADDENDUM**

OWNER: _____ MARE: _____
REG # _____ Association _____

This contract is specifically for mares located outside the continental United States and is in addition to the regular contract for the 2011 Breeding Season. When using frozen semen to inseminate mares the following conditions will apply:

1. The balance of the entire breeding fee is due prior to shipment of semen or insemination of mare. All payments must be made payable to High Point Performance Horses, Inc. in US Dollars.
2. A copy of the mare's registration papers and details of the owner including AQHA / APHA Membership number should be at High Point Performance Horse's office before breeding commences.
3. It is recommended that a thorough veterinary reproductive exam and normal uterine cytology and/or uterine culture should be taken before commencing breeding.
4. **The Veterinary Clinic and/or Mare owners premises, where the mare is to be bred, will not be supplied with semen unless the \$500 frozen semen charge has been paid in full to High Point Performance Horses, Inc in addition to the Booking and Breeding fee.**
5. **The breeding fee and \$500 frozen semen charge allows two (2) doses of frozen semen to be allocated to a mare in one breeding season. Failure to get a mare pregnant with the two doses will mean the mare has to be re-bred the following season and will be subject to a re-breed charge and further frozen semen charges in force for that year.**
6. **Semen is in storage at Goulburn Valley Equine Hospital in Victoria, Au.**

**Contact info: Goulburn Valley Equine
905 B Goulburn Valley Highway
Congupna VIC 3633
(03) 5829 9566**

7. All shipping charges and/or container rental are paid directly to Goulburn Valley Equine Hospital by the mare owner.

8. The live foal guarantee found in our Breeding Contract will be honored with a frozen semen contract.
9. It is the responsibility of the Mare owner to inform HPPH the dates that the mare was covered, so that the information can correctly be entered on the Stallion Report. Failure to do this will make registration of the resulting foal impossible.
10. The Mare Owner or Agent must sign this contract and return a copy to the High Point Performance Horse's office before any insemination takes place. It is the responsibility of the Mare Owner or Agent to read and understand the terms of this contract.
